## WHITE WATER RAFTING

White Water Rafting starts with a 4x4 ride into the wilds of Costa Rica's tropical jungle. You'll see breathtaking scenery of remote areas of the Savegre. This river provides Class II, III, IV rapids that are navigated in sturdy rafts. Our guides will stop at waterfalls and to view toucans and monkeys.

## MANGROVE KAYAKING

Who wants to experience first hand the pulse of the mangrove ecosystem. With the mangrove kayaking and boat trip you'll sit comfortably in our boat as we take you for an intimate group ride under the shade of some of the tallest species of mangroves that grow only in select areas of the world. This exotic flora and fauna is highly recommended for naturalist. A bit more adventurous, try it paddling in our kayaks with guide.

## CATAMARAN BOAT AND SUNSET SAIL

Catamaran, Boat and Sunset Sail is an excellent activity packed with snorkelling, swimming, spectacular sunsets and dolphins', whales and turtles sighting depending on the season. Our very professional crew will take you through this beautiful tour where we will serve you fresh fruit and lunch or an early dinner.

## SCUBA DIVING

Start with a short course where we can teach you the skills necessary for the safe scuba diving experience. If you enjoy nature; you will love Costa Rica below the surface with all the unique nature the region has to offer.

All safety Coast Guard equipment required is included.

## SNORKELING

An adventure in the very best snorkelling spots guided by a local enthusiast; observe an array of colourful tropical fish reefs and marine life.

Then go take a break on a secluded white sandy beach, relax with a cool fruit drink and explore the edges of the jungle and look for birds, monkeys and sloths.

## JET SKI

Go on a unique, thrilling and safe guided Jet Ski adventure where you will have the chance to enjoy the incredible nearby islands, enjoy the active marine life and vast array of sea birds; all while playing in zippy jet skis and learning about the unique history of the area.

Along your ride, you will search for dolphins, whales and sea turtles and then make a stop to dive in the cool tropical waters.

## SURF LESSONS

Give a try to this fun and challenging activity with a qualified local instructor that knows all the tricks around the area and has extensive experience in the waves here in Quepos and Manuel Antonio. The surfing tour varies depending on the tides for the week so ask for times when you will get the most bang for your buck. Don't forget this is a 2 hours personal tutorial.

## SPORT FISHING

Pacific Sailfish for which the area is famous for as well as three different species of Marlin, Yellow fin Tuna, Cubera Snapper, Roosterfish & Mahi Mahi. Enjoy inshore or offshore sport fishing at its best, in top quality boats and equipment. All charters offer tournament quality IGFA. Ask for prices full day and and half day..

## WATER RAPPELLING

Rappelling tours are a fun, safe and exciting way to experience some of Costa Rica's most beautiful landscapes. The sport, also known as canyoning, involves a descent controlled by a rock wall with a fixed rope. A definite must if your a true nature lover & enjoy a bit of adrenaline.

## ATV TOUR

Come and experience an adventure for the whole family with a scenic tour with a rush. Your always trustworthy bilingual guide will lead you through rustic unpaved roads, giant African Palm Plantations, winding mountain roads and diverse tropical vegetation of the rainforest. Small waterfall surprise at the end, enough said.

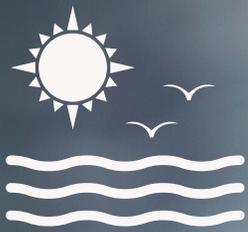

## CANOPY ZIPLINE

Zip lines, Repel lines, hight and adrenaline, you are going to love it, the trip begins with an amazing drive in the tropical rainforest with your own private 4x4 truck where you will learn about the area and the reserve you are entering, the expert guides will lead you on this exciting adventure into the rainforest and best of all, it is extremely safe.

## HORSEBACK RIDING

We take you in the back hand of a rainforest, through waterfalls and majestic scenary all inside a protected ancient area. In this activity you will see wildlife, magical scenarios while on the back of a well-cared for horse. Toucans, Sloths, Iguanas, Frogs and Monkeys are only some of the animals you can see and this is just the beginning.

## MANUEL ANTONIO PARK

How many different kinds of animals & plants can you spot just in the span of a 2 ½ hour hiking?

This is only the most visited National Park of all of Costa Rica. Enjoy local fresh fruits and refreshments as you pause while the monkeys play on the sandy beach. Learn about the history of the Quepoa Indians of Costa Rica and the stunning wildlife that surround this hidden natural beauty.

## RAINMAKER TOUR

A conservation project located 6 miles from Quepos in which visitors can expect to observe a series of suspension bridges connected by platforms and a vast biodiversity of flora and fauna found within the carefully designed hiking trails. A series of waterfalls culminating to a natural pool at which our guests enjoy a refreshing dip is an amazing way to end the tour and only top by, the astonishing views of the coastline, the mountain stream and the magnificence of its rainforest.

## NIGHT WALK

Once the sun sets in the Costa Rican rainforest, we start hiking and looking for exiting species of animals.

It goes from a green cathedral-like forest where beautiful shining blue morpho butterflies fly along small rivers to a pitch-black jungle, filled with the sounds of millions of insects and dozens of frogs & toads.

It is the same green fascinating forest, but now it's dark and you are ready to go find out what's there!

## BUTTERFLY GARDEN

Natural Farms reserve features a Butterfly Garden and a special evening "Sound's Image" presentation called "The Symphony of Nature". The Butterfly Botanical Gardens is a uniquely designed garden atrium with plant and insect exhibits.

## VANILLA TOUR

Villa Vanilla Spice Plantation is a tropical laboratory for sustainable agriculture with a range of crops that include vanilla, cinnamon, cacao, allspice, black and white pepper, cardamom; as well as a variety of exotic fruits and essential oils. You will also be showcased a unique collection of beautiful epiphytes (air-plants) including orchids, bromeliads, and tillandsias.

## CHOCOLATE TOUR

The only Chocolate Tour from Puntarenas all the way to Dominical and also the only one that shows an amazing mix of other crops and how they interact with the cocoa from the early stage to the famous hot cocoa mix. We also offer in the same tour, a coffee tour and a sugarcane-mill tour included in the same tour & location.

## PARASAILING

The best views of Manuel Antonio are definitely from the SKY.

A unique experience that will show you all that this amazing town has to offer when it comes to nature and ecosystem. Fun, easy, relaxing and safe, everyone can do it and enjoy it.

## NAUYACA WATERFALL

Nauyaca is definitely the most spectacular waterfall in Costa Rica and a must do.

The hike is approximately 3.5 miles in there & back. During the hike you may see different species of birds and other animals. As we get to the waterfalls, you'll love to have a refreshing dip and walk up to observe the impressive falls on the top. On the way back, you'll enjoy a delicious Costa Rican lunch after the tour.

## RANCHO LAS TILAPIA

Go off the beaten path and experience Costa Rica with our 5-In -1 tour that includes: ATV, horseback, swimming, recreational fishing and hiking. This amazing combo tour in a privately-owned natural reserve is perfect for all ages and many tastes making for a fun and active day.
